Lineicons

検索性の高いアイコンサイトNo1はココ ✨

The screenshot displays the Lineicons website interface. At the top left is the Lineicons logo. Navigation links include 'Icons', 'Docs', 'Support', and 'Resources'. On the right, there are links for 'Brands', social media icons, a search icon, 'Go Pro', 'Download', and a user profile icon. A large blue banner reads 'Explore and Download 8400+ Essential SVG Icons' with a descriptive paragraph below it. Below the banner is a search bar with 'Search Icons' and a magnifying glass icon. To the right of the search bar are filters for 'Size: 52px' (with a slider), 'Color' (with color selection icons), and 'Free' (with a toggle switch). On the left side, there is a 'Reset Filters' button and a list of categories with their respective icon counts: All Categories (8418), Agriculture (74), Animal (90), Brand (256), Building (204), Business (208), Chat (65), Communication (381), Construction (265), Currency (310), and Date and Time (155). The main content area is a grid of icons, each with a label and a small crown icon indicating it's a featured icon. The icons shown include: hospital-sign, postcard, cheese, plane-alt, team, spellcheck, snapchat, fahrenheit-alt, basketball, volkswagen, alarm-4, flute, live-stream, sad, layout, shoe-print, hand, calculator-alt, remove-user, surfboard-alt, paypal-original, menu-alt-3, text-align-right, surf-board, and 5G.
